Children ages 3-17 will be able to receive a preservative free flu shot, only if a parent or guardian is present. ## Montvale Police Department

Hello Montvale,

Lately we have experienced a rash of theft activity at local gyms and fitness clubs. The thefts have occurred both inside the facilities with articles left in lockers (locked and unlocked), left on benches and counters, left lying around near exercise equipment, and outside in parked vehicles.

Use common sense when going to the gym. Do you need to bring a \$5000.00 watch with you when you go workout? Do you need to bring your entire wallet filled with all your ID's and credit cards when you go to an exercise class? Thieves count on you being distracted and will snatch your valuables as soon as they see an opening. If it's noticed that you wore expensive jewelry in but are not wearing it while working out thieves will look for your locker and attempt to steal your stuff. And as you have heard before, never leave valuables in plain sight in your car. Thieves know that when you go into the gym they have ample time to break into your vehicle and take whatever they can see.

If you can bring your own combination lock to the facility do so. That is a better defense than the lock built into the locker.

Montvale Police Department News – We are happy to congratulate Officer John Newell on his July promotion to the rank of Sergeant. Well done Sergeant Newell!

Stay safe,  
Chief Jeremy Abrams

## Mayor's Message

We are well into the second part of the year with many activities and initiatives taking place in town, and thanks to the electronic mail and social media, it seems residents are far more informed than ever before. Over the last few weeks I have received many comments and feedback relative to the different development projects in town. I met with many residents and with mayors of the neighboring towns to discuss current and future planning needs. Almost everyone I spoke with from other towns are facing similar challenges. As a result we formed an Advisory Regional Planning Committee to assist the governing bodies manage and process the different issues. I am looking forward to participating and taking part in these discussions.

The Borough is fortunate to have Lisa Dent, our Recreation Director, on staff along with the volunteers. A big thank you to Council President Rose Curry, Councilman Doug Arendacs, Dick Curtin, Frank DiPalma, Marie Dineen, Margo Vlahinich, Stacey Pinkwater, Tammy King and our Recreation Intern Kelly Duane for coordinating all the events of Day in the Park.

In planning ahead for the next few months, we anticipate being busy with our affordable housing obligations, the ongoing maintenance of our roads and monitoring the progress of the road work activities. August is appearing to be another month filled with meetings and activities, therefore, the Mayor and Council will continue to meet as scheduled.

Please continue to report roads that require maintenance. As always, don't hesitate to contact me anytime. Enjoy the remainder of the summer with your family and friends.

## Board of Health

### Northwest Bergen Regional Health Commission Celebrates 60th Anniversary And Honors The Montvale Board Of Health

On June 19th a celebration was held in Waldwick by Northwest Bergen Regional Health Commission honoring their 60th anniversary of providing local public health services to municipalities in Bergen County. At the event, the Commission honored the Montvale Board of Health, one of the communities served by the Commission for their dedication to public health. Accepting the certificate of appreciation from Angela Musella, Health Officer of Northwest Bergen Regional Health Commission, is Joyce Cohen, President of the Montvale Board of Health.

## Influenza Vaccination Program

The Montvale Board of Health will be holding its annual Flu Vaccination Program on Saturday September 23, 2017 from 9:00 am – 11:00 am at the Montvale Senior Center at 1 Memorial Drive, Montvale, NJ 07645.

Children ages 3-17 will be able to receive a preservative free flu shot, only if a parent or guardian is present. If a child between the ages of 3 and 8 is receiving the flu vaccine for the first time ever, they will need to get a second vaccination one month after receiving the first.

We will also be offering High Dose vaccine for those 65 years of age or older – the higher dose allows for older individuals to develop a better immune response to the flu virus. The cost is \$35 for those not covered by Medicare.

As in past years, it will be necessary for those receiving Medicare Part B to bring their Medicare Part B card to the Influenza Vaccine program in order to receive the influenza vaccine. The Montvale Health Department, through a contract with Northwest Bergen Regional Health Commission, will directly bill Medicare. A \$25.00 fee will be charged to those who do not have Medicare Part B. If you have a Medicare HMO, also known as Medicare Advantage, you may choose to go to your primary care provider or you can pay \$25.00 for a flu vaccination. Medicare HMO's will not be accepted at the flu program. If you are pregnant, please bring a note from your obstetrician.

Annual vaccination against influenza is again recommended by the Centers for Disease Control for any adult who wants to reduce the risk for becoming ill with influenza or of transmitting it to others. Seasonal influenza is an easily transmittable respiratory disease. Each year 5 to 20 percent of the U.S. population gets the flu. More than 200,000 people are hospitalized from flu complications, including 20,000 children, and 36,000 people die every year. The most effective strategy for preventing influenza is annual vaccination. For more information regarding the flu program, please contact Keri Tone at (201) 445-7217 extension 201. For more information regarding the seasonal flu, please visit the Centers for Disease Control and Prevention (CDC) website at <http://www.cdc.gov/flu/about/season/>.

## Montvale Senior Club

The Montvale Senior Club is inviting all Montvale residents and past residents to join us at our Community Center for our monthly meetings. We do not meet during July and August but we urge you to join us in September. Our Business meetings are held on the first Thursday of the month at 12 noon; our Social meetings are held on the third Thursday of the month at noon. Our improved center is located at One Memorial Drive and our annual dues are only \$10.00 per year. We offer opportunities to socialize with new friends and renew old acquaintances. In addition, our club boasts a wide array of activities, trips, elegant lunches, card games, canasta, mahjong, board games, book discussion club and bocce games and tournaments. We conduct chair exercises which are very popular and offer a well-appointed exercise room. Our HUMC nurse is available for a "Health & Wellness" program. Our members receive a monthly calendar describing all events and activities.

We are fortunate to have the skills of a trip planner for day trips and another for overnight excursions. We serve refreshments at our meetings for a nominal fee of \$2.00. A committee member joins the Bergen County Senior Committee, attends county meetings and reports back with any proposals or items that affect seniors of Bergen County. Moreover, we have interesting speakers and entertainment at many of our meetings. Come down and join us. We look forward to meeting you.

## Featuring an Evening With a Founding Father

3 DAYS – 2 NIGHTS

*The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.*

- DAY 1** A morning departure has you heading into **Philadelphia—the City of Brotherly Love**. Upon arrival, you will meet your guide at the Visitor's Center, then depart on a **3-hour historic tour**. Founded and laid out by William Penn, the city was the second largest, but most prominent of the early English colonies. Following your tour, you will check into your accommodations and have a chance to freshen up before enjoying your evening activity. A fantastic dinner has been arranged at a local restaurant, followed by an evening with a **Founding Father**. A historic figure from Philadelphia's past will join the group for an **entertaining evening** of enlightenment.
- DAY 2** Enjoy breakfast before continuing to the **National Constitution Center**. America's most interactive history museum, it is the first-ever honoring and explaining the U.S. Constitution and the story of "**We, the People**." You can take the Oath of Office and walk among life-size bronze statues in **Signers' Hall**. Also, included will be a rousing performance of the multi-media presentation, "Freedom Rising". Later, enjoy lunch on your own at The Bourse, before a visit to the **Betsy Ross House**. The Betsy Ross House, the birthplace of the American flag, is alive with the sights and sounds of the 18th century. Tour the house and then stay a while longer to learn more about Betsy and her exciting life and times. There will be time to freshen up at your hotel, then depart for a **Philadelphia Casino** where you can spend an exciting evening trying your hand at the games of chance. Dinner is on your own at the casino this evening.
- DAY 3** Following breakfast, it's time to check out and depart for **Independence National Historical Park**. Spanning over 55 acres on 20 city blocks within the historic district of the City of Philadelphia, the park preserves and interprets many of our country's most important resources associated with the establishment of the United States of America. Additionally, the park tells the story of Philadelphia's most famous citizen, Benjamin Franklin, in Franklin Court, where Franklin's home once stood. You are welcome to visit the historic buildings, such as **Independence Hall** (free admission ticket required), **Old City Hall**, **Congress Hall**, **Liberty Bell Center** and much more. Before leaving the city, a stop will be made at Philadelphia's historic farmers market, **Reading Terminal Market**. An exhilarating selection of baked goods, meats, poultry, seafood, produce, flowers, ethnic foods, cookware and eclectic restaurants are peppered throughout the Market. Depart for home after your visit.

THANK YOU FOR TRAVELING WITH WHITE STAR TOURS TO PHILADELPHIA!
