The Mayor's Corner

As summer time comes to an end, we begin to gear up for the holidays and, for us gearing up for the winter snow season. We are moving forward with purchasing the 28 acres on Summit Ave, and working diligently on the needs and the requirements for the community center and pool.

Members of the council have been active with residents on many issues, such as noise complaints, infrastructure issues and I thank them for working together and with me to collectively benefit the community and the residents.

One of our biggest projects this year was the Magnolia Bridge replacement. The last update I have is that it will be ready for traffic in December. All of the foundation and heavy

work has been done, and now it is about the connections and making access to the bridge safe. We are also lobbying the county to keep the traffic light on Woodland Ave and Grand Ave permanent.

I hope to see you at the street fair on October 23rd, and if I can be of any assistance, please don't hesitate to contact me directly at mghassali@montvaleboro.org.

Montvale Police Department

We have finally been able to restart our Junior Police Academy for 7th and 8th graders after a two-year hiatus caused by the Covid-19 pandemic. The first year that we instituted this program was 2019, and it was a real success. We are looking forward to this much delayed 2nd iteration which will have started by the time you read this newsletter. Also, members of the Montvale Police Department will be at the Starbucks at The Shoppes at DePiero Farm on Tuesday, October 4th from 9:30 AM to 11 AM for the return of Coffee with a Cop. This is another program that we thoroughly enjoyed in 2019, but had to shelve during the pandemic. We thank Starbucks for hosting us again.

I hope you can join us there.
Chief Joseph Sanfilippo

Tri-Boro Food Pantry

The Tri Boro Food Pantry is grateful for all unexpired nonperishables donations especially:

- Pasta
- Pasta sauce
- Cold cereal

The Tri Boro Food Pantry is located in the back of the Pascack Reformed Church, 65 Pascack Road, Park Ridge. A drop off bin is also located outside the doors of the library under the stairwell at Montvale Borough Hall, 12 Mercedes Drive.

Thank you for your support!

Property Maintenance

As we approach into the Fall, I would like to remind all residents that it is their responsibility to make sure that leaves are not left in the streets to be picked up by your landscape contractor at some future date. Your landscaper is responsible to pick up leaves that are blown on that day. They cannot be leftover night. The homeowner is responsible to manage their landscapers and leaf pickup.

These leaves get washed into storm drains and require a lot of DPW time and money to clean out. This also assures that storm water systems operate properly when we have heavy rains during this time. Once the snow starts to fall, please be reminded that it is the responsibility of the property owner to remove ice and snow from all sidewalks that front on all sides of your property. Sidewalks must remain passable at all times. While I know this can be a frustrating endeavor as plows go by and plow in what was just shoveled, it is important to remember that roadways are the priority in order for emergency vehicles to move about town.

Removal of snow soon after a snowfall will reduce the potential for it to turn to ice and be more difficult to remove later on. By doing so, we will be able to provide safe and passable sidewalks during the upcoming winter. I thank everybody in advance for their efforts and cooperation.
