Commended Councilmember Lane for his explanation of the budget; wanted to know what is the purpose of bonding, Councilmember Lane stated it is to covert the current Notes into bonds at a better rate; Ms. Adams asked why do we have so many code enforcement cars; the borough did not pay for them, it came from developer fees collected from new construction projects; Happy to hear the borough will be acknowledging the “Snow Angel” volunteers on May 8th and finally, there was an issue on the end of her street, it occurred the day before the last Nor’easter, a Suez water cap was bubbling over and was very appreciative it was repaired before the storm.
