## The Mayor's Corner

Happy New Year and welcome to 2020. I hope that everyone has enjoyed the holidays and starting to get back to reality. We are planning to budget for additional funding to mill and pave more roads. The work on the Magnolia Bridge will soon begin and will likely last for the year. The Bridge will be closed and we will have detours and additional traffic controls to ensure a smooth transition during this period.

The work on the former Mercedes buildings is in progress with the first office tenant scheduled to move in December 2020. There will be a mixed use of office space, retail stores, 308 residential units, a hotel, a dine-in theater and an open plaza for summer time activities.

The eastern part of the property, downhill from the back of Wegmans, is a four acre plot that will eventually have additional retail stores during the last phase of the project.

Our budget meetings will continue through February 11, 2020. The full schedule is on the website, and I hope residents join us and take part in the process. I look forward to seeing you at the meetings and wish you and your families all the best.

Mayor Mike Ghassali

# Montvale Police Department

I hope everyone had an enjoyable Holiday Season. It's time to start getting used to writing and typing "2020". At the beginning of November, our first Junior Police Academy class graduated after 10 weeks of intense and exciting training. I can say that it was a tremendous success with 21 7th and 8th grade students from Fieldstone School graduating.

Thank you to Detective Brian Lamendola and Lieutenant Alisha Foley for the great job they did creating and running the program. I would also like to thank the Officers from the Montvale, Park Ridge and Woodcliff Lake Police Departments who helped with all of the training. Thanks also to the Montvale Schools Administration for allowing us to use Fieldstone School for our classes.

Some of the highlights of the training included demonstrations by the Bergen County SWAT team, bomb squad, Tri Boro Ambulance Squad, and the Montvale Fire Department, as well as a trip and full tour of MetLife Stadium. None of this would have been possible without generous donations from The Forman Team of Cross Country Mortgage, KPMG, Wegmans, Jumpin' Jim's Inflatables, and The Spine and Health Center of New Jersey. We are already looking forward to next year's program, and hope to increase our enrollment.

Chief Joseph Sanfilippo

### From the Property Maintenance Office

I imagine not too many of us were ready for an early snowfall. Regardless, winter is upon us once again and it is very important that all property owners are aware that they are responsible for clearing sidewalks in front of their property within 12 hours of daylight after the snow has fallen thereon.

Hopefully, our winter will not be as snowy as last year's and we get a little bit of a break. But the early snowfall underscores the reason why we do not want leaves piled in the streets. An early snowfall along with piles of leaves make road clearing extremely difficult for the snow removal crews.

Kindly take the time now to clean up any leaves that may have accumulated in the street so you will be prepared for when the next storm approaches. By doing so, you will have one less item to think about and more time to devote to your more festive holiday events.

Happy holidays to all and best wishes for a healthy and prosperous new year.
