Annual Rabies Clinic

At the present time, the Board of Health Annual Rabies Vaccination Clinic is scheduled for Saturday, January 9, 2021 from 10:00 AM to 11:30 AM. Logistics due to Covid-19 are being examined. Please check the Montvale website at www.montvale.org for updates.

The Mayor's Corner

We are currently seeing more COVID-19 positive tests reported and more restrictions on businesses and our way of life, but we are also hearing promising and welcoming news about vaccines that may be ready before the year 2020 ends. We are also starting our 2021 budget planning season, and I hope that you take part in these budget meetings. We will spend the next two months analyzing every budget item and challenging the department heads on their needs vs. wants. We did have a slight reduction in revenue, but as usual, we will do our best to not raise the municipal taxes while not sacrificing public safety or any of the town's services.

The good news is that Montvale is still an attractive location for businesses, and we are issuing several business permits every month. Though that's not to say that some businesses are closing their doors for good because of the COVID-19 economy and state restrictions, and some are just about breaking even. We all need to support our local economy and shop local whenever we can. We can support our local businesses while staying safe and being smart about our health and safety. The usual standard safety measures, like wearing your mask, washing your hands often and generally avoid crowded locations.

I want to give a huge shoutout to all our volunteers, First Responders, residents who are always eager to step up and offer to help whenever we need help, the Boys and Girls Scouts and their leaders, our Senior Citizens Club for keeping up with all these changes

and staying safe, our Environmental Commission for their relentless work to keep our environment safe for all of us to enjoy, our new Diversity Committee as they hit the ground running with amazing cultural events and surely more to come. And of course, our Planning and Zoning Board members, probably the most unselfish, knowledgeable, and town-caring residents. A ton of thank you to our Health Board and their president, Mrs. Joyce Cohen, the town should be proud of these members as they are a tremendous asset especially during these times, and I continue to rely on them heavily to be able to communicate to you as we progress together during this pandemic. A salute to our Chamber of Commerce and the Economic Development Committee, the Mayor's Advisory Committee, the Historic Preservation Committee, the Special Events Committee, our OEM with Frank DiPalma and Greg March, and to our amazing staff and council members. All 240 volunteers and staff make things look really easy, but we all know they sacrifice their family time, sometimes their work time, and offer us their talent and resources so we can all declare that we live in a great town. Please continue to stay safe and I am always available to meet and discuss any matter that you think I can be of help with.

Montvale Police Department

The Holiday Season is upon us. Let's hope 2021 is much better than what we have experienced in 2020. We are well into Daylight Savings Time, and everyone can see how early it gets dark. Remember to leave lights on in and around your property when you are away from your home. Also, consider leaving a radio or television on when you are not home. This is the time of year when residential burglaries tend to peak. If you are traveling, please notify the Police Department so we may include you on our vacant home check list. A safe, Happy, Healthy 2021 to all.

Santa Comes to Town Christmas Eve - Montvale Fire Dept.

The Montvale Fire Department is proud to announce that we will continue the annual tradition of bringing Santa to town on Christmas Eve, but it is going to be a little different this year due to Covid-19. Santa will not be in the center of town, but will be escorted by the Fire Department on a parade around town. On December 24 starting at 6 PM the route will be as follows:

Fire House, Grand Avenue West to Woodland Road
Woodland Road to Magnolia Avenue
Magnolia Avenue to Kinderkamack Road
Kinderkamack Road South to the Center of Town
Grand Avenue East to Middletown Road
Middletown Road North to the State Line
Main Street South from the State Line to Jefferson Place
Jefferson Place to Hillcrest
Hillcrest to Grand Avenue
West on Grand Avenue to Chestnut Ridge Road
North on Chestnut Ridge Road to Sunrise Drive

Sunrise Drive to Huff Terrace
Huff Terrace to Upper Saddle River Road
Upper Saddle River Road to Fox Hill
Fox Hill to Spring Valley Road
Spring Valley Road to Summit Avenue
Summit Avenue to Terkuile Road
Terkuile Road to Herring Road
Herring Road to Akers Avenue
Akers Avenue to Grand Avenue

Please stay safe and stand out of the roadways, wear masks, and maintain physical distancing. No one will be allowed in the Fire House due to health reasons.

The Montvale Fire Department would like to wish everyone a very happy and healthy holiday season!

Chief Geoffrey Gibbons

Property Maintenance - Leaves and Snow

To all residents this is a friendly reminder that all leaves that are cleaned up from your property cannot be distributed into the roadways of Montvale. Bagged leaves are to be put curbside ONLY on Thursday evening for a Friday pickup.

Leaves shall be placed in bags of a specific type designated by the Municipal Recycling Coordinator and placed at curbside the evening before the scheduled pickup each week, during the months of October 15 through December 31. Bagged leaves shall be collected by the Borough scavenger.

[Amended 9-27-2012 by Ord. No. 2012-1363]

To all residents this is a friendly reminder of what is required from you for all residents to be safe when venturing out during the winter months around our beautiful town.

§ 347-26 Removal of snow and ice.

[Amended 4-9-1996 by Ord. No. 96-1021]

A. The owner or owners, tenant or tenants of land abutting or bordering upon the sidewalks and gutters of the public streets, avenues and highways within the limits of the Borough of Montvale shall remove all snow and ice from the same within 24 hours of daylight after the same shall have formed or fallen thereon.

[Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. II)]

B. No person shall sweep, shovel, push, plow or throw snow or ice in or upon any public street, sidewalk or private property belonging to another, nor shall any person direct, permit or suffer another to so do any of the foregoing from any property owned, occupied, used or leased by such person.

From the Construction & Property Maintenance Departments

I would like to take a moment to thank all of the residents of Montvale for the opportunity to serve the Borough for the last 12 years. For me, it has been a privilege to work in this town and I have the greatest respect and admiration for all of the residents. While, at times, it has been a very hectic pace to manage the construction, property maintenance, buildings and grounds, as well as several other responsibilities for the borough, I knew I could always count on the residents for their cooperation in helping to keep your town looking good every season of the year.

From snow/ice removal in the winter, yard cleanups in the spring, weeds and lawn in the summer, and leaves in the fall, we have shared a mutual desire to keep Montvale a desirable place to live. It is my sincere hope that I was able to assist in that endeavor. My wife and I (along with our Cavalier King Charles Sir Elton) will be relocating to the Hilton Head area of South Carolina in mid-November and my Deputy Construction Official, Chris Gruber, will be assuming my duties in my absence pending his permanent appointment by the Mayor & Council on January 1, 2021. Chris has been with the borough since May, 2017 on a part time basis and in a full time capacity since January, 2019. He is well equipped to assume these duties. I would kindly ask that you extend to Chris all the courtesies and cooperation that you have provide to me during my tenure.

Thank you all so much for the opportunity to be of service and I wish you good health and prosperity in the years to come.

NJ COVID-19 Contact Tracing App

COVID Alert NJ is New Jersey's free and secure mobile app that anonymously alerts users if they have been in close contact with someone who has tested positive for COVID-19. The app also provides users with up-to-date information on New Jersey reopening news, key COVID-19 metrics, and a user-friendly symptom tracking tool.

Everyone with an Android (version 6 or above) or Apple (iOS version 13.5 or above) phone is encouraged to use COVID Alert NJ. The app's effectiveness depends on public collective participation: the more people use it, the more effective it will be. COVID Alert NJ will notify you if you're likely to have been exposed to another app user who tested positive for COVID-19 and verified their result on their app. Knowing your exposure status and following public health guidelines such as self-quarantining and seeking timely medical attention allows you to protect your family, friends, neighbors, and colleagues. COVID Alert NJ helps New Jerseyans stop the spread of COVID-19.

- 1) Download COVID Alert NJ on the App Store or Google Play Store. Opt-in to receive "Exposure Notifications"
- 2) As you go about your day, the app will use Bluetooth to sense any "close contacts"—other app users who are within 6 feet of you for more than 10 minutes
- 3) When your app senses a close contact, your phone will exchange a secure random code with the close contact's phone. It's important to note that your location and name are never disclosed
- 4) If you test positive for COVID-19, a public health representative will call you and ask if you're willing to anonymously notify your "close contacts" by uploading your app's close contact codes
- 5) Each day, the app will compare your list of close contact codes to the list of codes associated with positive COVID-19 app users. If there's a match you will get an Exposure Alert, along with appropriate next steps.

Absolutely. COVID Alert NJ does not turn on, use or collect any GPS location data. Alerts do not share the identities of other users with one another, the New Jersey Department of Health, or any other entity. COVID Alert NJ uses Bluetooth proximity technology, and will never record any identifying data or track your location. All users will remain anonymous. COVID Alert NJ is available to download for free from the App Store or Google Play Store. Visit covid19.nj.gov/app to discover additional features and access more information on COVID Alert NJ.

Happy Holidays from the Montvale Fire Prevention Bureau

We would like to remind you of the following safety tips for the holiday season.

1. Keep your Christmas trees healthy, water on a regular basis.
2. Have all candles in jars, and keep away from all combustibles.
3. Use only UL listed approved Christmas lights.
4. Have fire place chimneys inspected and cleaned.
5. Inspect all extension cords.
6. Test all smoke detectors and carbon monoxide detectors for proper operations.
7. Make sure you have a fire extinguisher available.
8. If you need to call the Montvale Fire Department, DO NOT HESITATE..... DIAL 911.
