We adopted the 2021 budget last Tuesday, and based on shortfall of revenue from the hotel tax, court and construction fees, the \$320,000 we spent last year on covid expenses, and adding twice a week garbage pickup during the summer, we need to have a municipal tax increase for the first time in four years. The increase will be \$131 per average household. This is the link to our 2021 budget <https://montvale.org/government/budgets/2021-1/979-user-friendly-budget/file>

We introduced ordinance #2021-1505 prohibiting the sale of marijuana in

town. The public voted almost 2-1 in town in favor of legalizing marijuana in the state in November 2020, however, we have jurisdiction on allowing or not allowing its sales in our town. We are only allowing legally authorized medical care, pharmaceutical research and clinical trials performed or conducted by a licensed physician, medical research, hospital or pharmaceutical companies. The public hearing on this ordinance is on Thursday (not Tuesday, due to primary Election Day) June 10, 2021.

As you know badges are required to play on the basketball courts. We have issued about 110 badges to residents and about 15 badges to non-residents. The badges are free to you the residents and

\$25 for non-residents. We are hiring a park monitor, and installing several cameras and additional signs around the courts and the parks.

M&C meetings: Doing hybrid meetings entails that each councilmember and staff log in individually, and pay a technician to operate the sound system. This works but not ideal. So for now we will have the public meetings (2nd Tuesday of every month) on Zoom and in person, and the workshop meetings in person only. If you have an idea on how to simplify the virtual hybrid meetings, please let me know.

Planning and Zoning board meetings will begin in person only starting on Tuesday, May 18, 2021.

Roads: We are going to have a busy road paving program this year. PSE&G will be paving all roads they disturbed that were paved five years or less, and we will be paving roads that are part of our road paving program.

Borough Roads for mill & pave (14 roads): Arthur Court, Bryan Drive, Camron Court, Echo Hill, Ellsworth, Erie, Hickory Hill, Main, Maureen, McGuire, Montvale Avenue (Main to Ladik), Partridge Run, Phyllis, and Wildwood.

PSEG Roads for mill & pave (38 roads): Azalea, Birch, Brook, Cardinal, Crest, Fairview, Forest, Glen, Grove, Hartel, Hemlock, Hillcrest, Hillside, Hunting Ridge, Jefferson, Locust, Madison, Meadow, Montvale (KMK to Williamsburgh), Mulberry, Myrtle, Oakland, Norgate, Nottingham, Pearl, Pine, Quail Ridge, Raven, Rutherford, Shadow, Smyrchnyski, Spruce, Stone Hollow, Sunnyside, Walnut, Waverly, Westmoreland, and Williams.

Montvale Police Department

Nicholas Mazzeo and Krystian Maleszewski were hired as the Borough's two newest Police Officers at the end of 2020. On June 17th, they will be graduating from the Bergen County Law and Public Safety Institute in Mahwah. They have spent the last 24 weeks in the Police Academy, learning the basics of their chosen profession. This training included, Professional Development, Criminal Justice System, Police Community Relations, Criminal Law, Legal requirements of Arrest – Search and Seizure, Evidence and Use of Force, Communications, Vehicle Operations, Emergency Medical Care, Unarmed Defense, Patrol Concepts, Traffic Control, Criminal Investigations and Physical Conditioning. Next, they will begin a 360-hour Field Training Program where they will be paired with experienced Montvale Officers who are specially trained as Field Training Officers. There will be an “in house” orientation period, followed by a familiarization with local schools, roads, and daily Patrol Officer responsibilities. As the training period progresses, the new Officers will begin riding in a patrol car by themselves as the Training Officer “shadows” them as they respond to different types of incidents. Once the Training Officers are confident that the new Officers are ready, they are released from the program. Welcome, and best of luck to our new Police Officers.

Diversity & Inclusion Committee

Last month, the Montvale Diversity and Inclusion Committee recognized and celebrated Ramadan, Women's Health Month and Asian Pacific American Heritage Month.

The Committee would like to thank everyone who participated in the Ramadan food drive. With your help, we made weekly trips to the Tri-boro Food Pantry and delivered over 85 bags of food and hygiene items. Thank you for helping us provide for families in need! A special thanks to Synergy Health Advisors, Montvale Public Library and the Montvale schools (Memorial & Fieldstone).

Throughout the month of May, the Committee posted weekly check-ins and provided local resources to encourage women to visit their doctors and schedule appointments that may have been postponed due to the COVID pandemic. The goal was to encourage women of all backgrounds to take charge of their mental, physical, and emotional health.

On May 20th, the Committee hosted a panel discussion via Zoom which highlighted resources and initiatives affecting Asian Americans and all other communities throughout Montvale and Bergen County. Panelists included Mayor Ghassali, Bergen County Commissioner Tom Sullivan, Bergen County Commissioner Ramon M. Hache, and Ludi Hughes of the Bergen County Asian American Advisory Council.

On May 26th, the Committee and the Montvale Free Public Library hosted a Zoom storytime event featuring Filipina-American New York Times bestselling and Newberry Medal winning author Erin Entrada Kelly who read from her book *Maybe Maybe Marisol* Rainey.

This month, the Committee will celebrate Pride in the Park. The Montvale Diversity and Inclusion Committee in conjunction with the Montvale Mayor and Council invite all residents to join us at Huff Park on Sunday, June 13th from 5-7pm (rain or shine) as we celebrate Montvale's 1st PRIDE event! Please bring a blanket/lawn chairs and picnic and gather for a casual afternoon filled with activities for all ages including a tree dedication, guest speakers, music, and performances from members of the local community. We will also have free snow cones for all attendees!

Mosquito Prevention and Protection

www.mosquito.org

Always remember the 3 D's of protection from mosquitoes

Drain

Many mosquito problems in your neighborhood are likely to come from water-filled containers that you, the resident, can help to eliminate. All mosquitoes require water in which to breed. Be sure to drain any standing water around your house.

- Dispose of any tires. Tires can breed thousands of mosquitoes.
- Drill holes in the bottom of recycling containers.
- Clear roof gutters of debris.
- Clean pet water dishes regularly.
- Check and empty children's toys.
- Repair leaky outdoor faucets.
- Change the water in bird baths at least once a week.
- Canoes and other boats should be turned over.
- Avoid water collecting on pool covers.
- Empty water collected in tarps around the yard or on woodpiles.
- Plug tree holes.
- Even the smallest of containers that can collect water can breed hundreds to thousands of mosquitoes. They don't need much water to lay their eggs. (bottles, barrels, buckets, overturned garbage can lids, etc.)

Dress

Wear light colored, loose fitting clothing. Some of the 176 mosquito species are attracted to dark clothing and some can bite through tight-fitting clothes. When practical, wear long sleeves and pants.

Defend

Choose a mosquito repellent that has been registered by the Environmental Protection Agency. Registered products have been reviewed, approved, and pose minimal risk for human safety when used according to label directions. Three repellents that are approved and recommended are:

- DEET (N,N-diethyl-m-toluamide)
- Picaridin (KBR 3023)
- Oil of lemon eucalyptus (p-methane 3,8-diol, or PMD)

Here are some rules to follow when using repellents:

- Read the directions on the label carefully before applying.
- Apply repellent sparingly, only to exposed skin (not on clothing).
- Keep repellents away from eyes, nostrils and lips: do not inhale or ingest repellents or get them into the eyes.
- The American Academy of Pediatrics suggests that DEET-based repellents can be used on children as young as two months of age. Generally, the AAP recommends concentrations of 30% or less.
- Avoid applying repellents to portions of children's hands that are likely to have contact with eyes or mouth.
- Pregnant and nursing women should minimize use of repellents.
- Never use repellents on wounds or irritated skin.
- Use repellent sparingly and reapply as needed. Saturation does not increase efficacy.
- Wash repellent-treated skin after coming indoors.
- If a suspected reaction to insect repellents occurs, wash treated skin, and call a physician. Take the repellent container to the physician.

Children's Department

Schools out for the summer, but reading is in!

Registration for our Summer Reading Program

June 14th

Be on the lookout for our Summer Reading Program, *Campfire Tales*. Starting June 14 we will begin taking registrations for this "summer camp" for readers of all ages! A trail map will guide you through logging your reading where you have plenty of prize pit stops and raffle tickets to re-energize you and keep you going to the end! Join us for this summer of fun and lots s'more books!

Camp Crafternoons

As a fun complement to our reading program, we will be offering outdoor Crafternoons. Throughout the summer months, weather permitting, join us for a cool and engaging old time camp craft. We will provide material kits and socially distanced work areas to create and have fun! Materials are limited and registration will be required. Keep an eye out on our Calendar of Events and emails for more information.

Outdoor Storytimes

Tuesdays starting July 6th at 10:30

We miss you and are looking forward to starting Storytime again! We will be offering Outdoor Family Storytime for ages 2-5. This is a family program, intended for grown ups and children alike. Space is limited and registration will be required.

eBooks and Other Online Materials

The Montvale Library now subscribes to Kanopy, a movie streaming service with over 30,000 documentaries, classic and indie films. Patrons with a valid Montvale Library card can stream up to ten titles per month for a 72-hour checkout period.

Hoopla offers eBooks, movies, audiobooks, TV shows, music, and comics to Montvale residents. To sign up, go to <https://www.hoopladigital.com/> or download the free Hoopla app and log in with your library card number (the 14 digit number above the barcode)!

Use the Libby app to borrow eBooks and audiobooks! Use your Montvale Library card to enjoy free content. For anyone who needs step-by-step help getting their device set up, please email movlcirc@bccls.org.

Ancestry is now available to Montvale Patrons at home! Please email movlcirc@bccls.org for login information to access this resource remotely. Please check our website and social media pages for updates as we are constantly providing new virtual services.
