The Mayor's Corner

The heavy rain during the month of July left us with several downed trees and power outages through out the town. We often forget that when power is lost in a particular grid, everyone loses power, including businesses. Orange & Rockland understands this and they have been very responsive and proactive, before, during and after the storms. It is also my responsibility to set expectations when we are hit by multiple storms. Our resources are limited and often limited by the magnitude of the storms. When trees are downed and entangled with live wires, nothing can be done until the power is cut to the wires and confirmed with on-site field representative. And when we have a power outage, it is best that you contact O&R first so it's logged in. Calling me or borough hall doesn't help or expedite the matter. As for the downed trees, our first priority is public safety and access to the roads for emergency. You will often see cut trees left on the side of the roads for days.

That is because our crew is working around the town opening up the roads, and when all that's done is when they come back around and pick up the downed trees.

We are told every year that more damaging storms and hurricanes are coming. We try to plan to the best that we can and we all appreciate everyone's cooperation and patience.

Mayor Mike Ghassali

I hope you are enjoying the summer, please report any potholes and damaged road signs, and as always feel free to contact me if I can be of any assistance.

PENNSYLVANIA'S AMISH HOLIDAY TOUR

2 Days - 1 Night

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

Day 1 - Depart from your hometown and travel to the **Amish Lands of Pennsylvania to celebrate the Christmas season.** Arrive in the quaint town of **Lititz** where you will enjoy a tour at the **Julius Sturgis Pretzel Bakery**, the oldest commercial pretzel bakery in the country. Try your hand at twisting your own pretzel and learn the history of pretzel baking. A stop will also be made at **Wilbur Chocolates**. There will be free time for lunch and window shopping before continuing to Lancaster for a matinee performance at the **Sight & Sound Theatre** where you will enjoy a live performance of "**Queen Esther**." Set in the opulent yet perilous Persian Empire, Queen Esther is a captivating tale of beauty and bravery. Esther's ordinary life changed forever when she was taken through the palace doors, entering a new world of royalty and risk. Experience one of the most riveting Bible stories of the Old Testament as it comes to life with magnificent sets, special effects and live animals in this brand-new, original stage production from Sight & Sound Theatre. After the show, depart for a local restaurant to enjoy a delicious **family-style dinner**. Later, you will check into your lodging for a restful night.

Day 2 - After breakfast, check out and depart aboard your bus for a **guided tour of the Amish countryside**, including stops at an Amish Craft Farm and a bake shop. Following the tour, a stop will be made at nearby **Bird-in-Hand Farmers Market** for lunch on your own and chance to visit the PA Dutch vendors located throughout. From here, continue to the beautiful **American Music Theatre** for an afternoon performance of the spectacular musical revue, "**Winter Wonderland**". The show features world-class entertainment and sentimental tributes to the true meaning of Christmas including awe-inspiring music and dance, outstanding voices, warm humor, and familiar holiday cheer. Following the show, depart for home with your wonderful holiday memories of the **Amish Lands of Pennsylvania!**
