## The Mayor's Corner

I start this article with thanking Councilwoman Rose Curry for her years of service and dedication to our town. She worked at the library prior to becoming a member of the council. In her honor, there will be an honorary name placed in the library to be "The Rose Curry Montvale Public Library".

This month we closed on the purchase of Octagon House, former location of Perfect Limo". The price of the purchase was as a result of a generous donation to create space for meetings, a museum, and a project space for school children.

I attended the League of Municipalities on November 16

and 17, and had the chance to meet with other mayors and elected officials. We discussed affordable housing and flooding issues and set up several follow up meetings with state and local officials.

The winter months are ahead of us and forecasters are predicting warmer but wetter months ahead and possibly heavy snow. We always prepare for the worst anyway, and this year is no different. I wish you happy and safe holidays, and looking forward to seeing you at the Menorah Lighting and the Christmas Tree Lighting.

# Montvale Police Department

Please remember to remove keys and key fobs from your vehicles, and lock them as well. It is also important to understand that thieves may be able to start and take your vehicle if the fob is left within close proximity. Your key fob is constantly trying to communicate with your vehicle when you leave it too close. This can also be the cause of your key fob battery wearing out prematurely. Your fob should be kept as far away from the vehicle as possible, or placed in some type of protective covering that blocks the signal when not in use. Happy Holidays to you and your families.

Chief Joseph Sanfilippo

# Montvale Fire Department

Santa Claus is Coming to Town Santa has informed us that he will be back to normal this year and make his annual visit to Montvale on Christmas Eve. Starting at 6 PM, he will be escorted by the Fire Department starting on North Kinderkamack Road to the center of town where he will visit all the children there. Please check the Montvale Fire Department Facebook page for updated information.

Members Wanted The Montvale Fire Department is looking for new members. The fire department is made up of 35 of your fellow neighbors who want to make a difference in our community. If you are interested and are thinking about joining, please stop by the firehouse any Thursday night at 8 PM and we will introduce you to the exciting world of being a volunteer firefighter. Chief Geoffrey Gibbons

# Fire Prevention

As we wind down the Thanksgiving feast we are now looking forward to Christmas, Hanukkah and New Year's celebrations. Here are some helpful fire prevention tips to keep you and your family safe for a fun holiday season.

1. Check all Christmas tree lights for any wear and tear (exposed wires, worn plugs and connectors).
2. Keep your Christmas tree well hydrated through the holiday.
3. Keep Christmas trees away from all open flame devices i.e.; candles, fireplaces.
4. DO NOT LEAVE your Christmas lights operating while no one is home.
5. Keep all Hanukkah candles away from combustible materials.
6. Once again, if you are deep frying your holiday meal, keep your fryer 15 feet from any structure and off any decks.
7. Always check your smoke/carbon monoxide detectors for proper operation.

If an emergency arises DO NOT HESITATE TO DIAL 911 for the Montvale Fire Department!

If you have any questions or concerns, please call the Montvale Fire Prevention Bureau at (201) 391-5700  
Ask for: Fire Official John J Kurz (ext. 258) or Deputy Fire Official Mike Halzack (ext. 256)

Have a great holiday season!

## Property Maintenance

As we begin to see the changes in our weather and the inevitable snow and ice that is sure to come, I would like to remind all residents that it is their responsibility to make sure that leaves are not left in the streets to be picked up by your landscape contractor at some future date. Your landscaper is responsible to pick up leaves that are blown on that day. They cannot be leftover night. The homeowner is responsible to manage their landscapers and leaf pickup.

These leaves get washed into storm drains and require a lot of DPW time and money to clean out. This also assures that storm water systems operate properly when we have heavy rains during this time. Once the snow starts to fall, please be reminded that it is the responsibility of the property owner to remove ice and snow from all sidewalks that front on all sides of your property. Sidewalks must remain passable at all times. While I know this can be a frustrating endeavor as plows go by and plow in what was just shoveled, it is important to remember that roadways are the priority in order for emergency vehicles to move about town.

Removal of snow soon after a snowfall will reduce the potential for it to turn to ice and be more difficult to remove later on. By doing so, we will be able to provide safe and passable sidewalks during the upcoming winter. Thank you everybody in advance for their efforts and cooperation. Best wishes for a happy and prosperous holiday season.

Greetings from the Montvale Diversity and Inclusion Committee!! We hope you are enjoying the cooler weather as the end of the year draws near. We are excited to begin preparing for 2022 and we can't wait to share our upcoming events with you soon! If you are interested in learning more about the Committee, please contact us at [diversitycommittee@montvaleboro.org](mailto:diversitycommittee@montvaleboro.org)

Last month, we partnered with the Montvale Free Public Library to celebrate Diwali (The Festival of Lights). On November 1st, families enjoyed a virtual celebration via Zoom that included a story time event, a book giveaway, and a Rangoli craft. The Committee also donated several books to the Montvale Free Public Library which highlight traditional characters and tell stories about the festival.
