**HELP YOUR FIRE FIGHTERS**

## KEEP THEM CLEAR

**In an emergency, every second counts.**

- Remove any snow and ice from the hydrant
- Clear a wide enough perimeter to walk around it (about 3 feet)
- Clear a path from the hydrant to the street

3 FEET      3 FEET

Brought to you by the **International Association of Fire Fighters**

The Montvale Volunteer Fire Department reminds residents to clear the snow around fire hydrants near your house this winter. During emergencies, seconds save lives!

I want to wish you a Happy New Year and a Merry Christmas, and Happy Hanukah. In a way I am happy to close out this year and start a new year with hopes and optimism. I also think that this year brought us closer to each other to our families. I saw many good wills and many residents offering to help the community in ways I have never seen before in my last 10 years of public service. I am grateful to all those who stepped up in time of need and offered their time and talent to help others in our community.

There are several projects happening across the border in the Village of Chestnut Ridge on School House Road. We are fully aware of the projects and we are going to have legal and professional engineering and planning representation at their meetings. These projects will impact the local traffic in our town and we will work cooperatively with the Village of Chestnut Ridge to minimize the traffic impact to our town.

The road paving program is completed for this year and we are in the process of compiling the 2021 list. Although we were short on revenue in 2020 because

of COVID expenses and hotel tax revenue shortage, we will attempt to budget to continue with the road paving program so we don't fall behind. PSE&G will be completely repaving all roads they opened, that were paved in the last 5 years. The roads that were paved more than five years ago, they will pave midway to curb.

Mayor Mike Ghassali

Finally, with the vaccination process, we will have guidance shortly on the process and where and how to get vaccinated if you wish to do so. Currently we are seeking nurses and retired nurses to take part in the process and we will have a designated location to administer the vaccine, once we have it and have the green light to proceed.

Please continue to be safe and wear your mask, and as always, let me know if I can be of any assistance.

Mayor Mike Ghassali

## Rabies Clinic

The Montvale Board of Health has decided, with an abundance of caution, to cancel the 2021 Rabies Vaccination Clinic. Past clinics have always been well attended. However, enforcement of CDC guidelines limits capacity of the garage which results in longer wait times and decreased safety for all.

Pet Owners are required by Borough ordinance to license their pet(s) and are encouraged to do so through mail or in person at Borough Hall during normal business hours. Please visit your pet's veterinarian for a rabies vaccination if the vaccination expires prior to November 1, 2021. Animal license applications for a newly adopted pet may be downloaded from the Borough website; [www.montvale.org](http://www.montvale.org). Best wishes for a happy and safe New Year.

# Montvale Police Department

Goodbye 2020! To say that 2020 was a challenging year would be a huge understatement. The Officers of the Montvale Police Department, the staff and I would like to thank our residents for the support they have provided to us during these trying times. We wish you and your families a Happy and Healthy 2021.

On December 8, 2020, the Mayor swore in two new Police Officers. We welcome P.O.'s Nicholas Mazzeo of Emerson, and Krystian Maleszewski of Mahwah to the Montvale Police family. Both Officers will begin their 20 plus weeks of training at the Bergen County Law and Public Safety Institute in Mahwah on January 15.

Chief Joseph Sanfilippo

## Fire Prevention

Now that the winter season is upon us, if you have a fire hydrant in front of your home please keep it clear of snow when shoveling your driveway and sidewalks. Please have all walkways and stairs clear of snow and ice into your home. This will allow easier access for Fire Department personnel to enter your home in case you have an emergency. Discard all dried out Christmas trees to the outside.

Check and maintain ALL SMOKE AND CARBON MONOXIDE DETECTORS for proper operation. If you have an EMERGENCY DIAL 911.

## Montvale Volunteer Fire Department

The Montvale Fire Department is made up of 35 volunteer firefighters that provide fire protection to the Borough of Montvale 24 hours a day, seven days a week, 52 weeks a year. We are starting a membership drive and are looking for new members to join us. No experience is necessary and free training is provided. If you are a resident of Montvale and 16 to 18 years old you can become a Junior firefighter. If you are 18 years old or over, you can become a regular firefighter.

If you would like to help your fellow neighbors, stop down at the fire house on the first, second, or fourth Thursday of the month at 8 PM or call the fire house at (201)391-4240 and leave a message and somebody will get in touch with you.

The Montvale Fire Department has started its annual fund drive. This supports the associations' scholarships, Santa's visit to Montvale, and other community events. If you would like to make a tax-deductible donation, it's not too late.

Please mail to the Montvale Fire Dept., 35 W. Grand Ave. Montvale NJ, 07645The Montvale

## Montvale Senior Club

We welcome our New Year 2021. We look forward to resuming our Senior meetings on the third Thursday of each month. We will notify our members when the Covid restrictions will allow us to operate normally.

Currently the Borough has given us permission to use the Senior Center for Chair Exercises and Bocce. These two programs will continue throughout the year. Contact Marie Dineen at 201-391-1831 or Diane Carfora 201-314-0141 for Chair Exercises. Contact John Rotante 201-391-4194 for Bocce. We will honor all guidelines, wearing masks, 6 feet apart, gloves are optional. For indoor activities, temperatures are taken of every participant in addition to masks.

We will welcome new members when all restrictions are lifted.

During this difficult year, our Senior Club would like to express their sincere gratitude and appreciation to the Montvale Borough for their assistance, their concerns, and their considerations for making our programs successful. It was a comfort to know we had members of the Borough supporting us. Helping one another in these challenging times are commendable by all.

We wish everyone a safe and healthy New Year.
