and southern New York with exceptional, world-class healthcare in a regional healthcare setting. Montvale's convenient location and the existing presence of other world class medical doctors aligned perfectly with Valley Health System's goals.

It was only in 2015 when Mercedes Benz decided to leave for Georgia. After they fully vacated the property in 2017, the future of about 30 prime acres was in question. I believe we are now on a good footing with a modern, mixed-use development and a strengthening reputation of being an exciting new medical hub. Montvale is well-

I am excited to inform you that Valley Health System will be occupying 60,000 Square feet of a new medical building to be built on the far northwest side of North Market, next to exit 172 off the Garden State Parkway. On behalf of the Montvale community, we welcome Valley Health System to town. Many thanks to the S. Hekemian Group for the diligent work they have done to acquire and maintain quality, long-term tenants, which benefits all of the Montvale community.

With summer approaching, we are preparing for several upcoming events and looking forward to seeing you there. On Saturday May 21 will be Eid celebration and the Memorial Day Parade on Monday May 30. The Street Fair this year is going to be on Sunday June 12, and the Montvale Day in the Park is scheduled for Saturday August 27.

I hope you enjoy your summer, please stay safe and as always, feel free to reach out to me if you think I can be of any assistance.

The annual National Highway Traffic Safety Association Click It or Ticket campaign will be happening from May 23rd through June 5th this year. Officers will be looking specifically for individuals whom are not wearing their seatbelts. Please wear your seatbelt, and ensure that all of your passengers do as well. Drive safely, as the nice weather brings out more pedestrians, bike riders, etc.

I have mentioned this before, but it bears mentioning again-The State, and Bergen County in particular, has seen an astronomical increase in vehicle thefts. PLEASE DO NOT LEAVE YOUR KEY/KEY FOB IN OR NEAR YOUR VEHICLE, AND LOCK THE DOORS. Also, do not leave your vehicle running in your driveway, in the street, or while you run into a store. There is no pattern to when vehicles are being taken. Some have been in the middle of the night, and some in broad daylight in the middle of the day.

Property Maintenance/Code Enforcement

I would like to take this opportunity to remind all residents that the posting of any type of sign on utility poles, street signs, or any borough right-of-way is strictly prohibited. There has recently been a plethora of various signs posted on utility poles seeking the return of a lost pet or an impending garage sale. Being a pet owner myself, I shudder to think how I would feel if it was my pet that was lost and my heart goes out to those who experience that loss. Please be advised that any and all such signs will be removed, however. The posting of these signs leads to garbage on the streets and utility poles covered with unsightly signs at well-traveled intersections. As for garage sale signs, these are permitted to be posted as per section 45A-5 of the Montvale Code but are prohibited from being posted on utility poles. I would appreciate the cooperation of all residents so that we can keep Montvale looking clean.

Spring is here and if you are cleaning out or moving remember that storage PODs require a permit from the Building Department.
