a. Draft Policy for Flying Flags / Public Comments / Discussion

A motion to open the meeting to the public by Councilmember Curry; seconded by Councilmember Lane – all ayes

Matt Solomon

Most decisions that council make impact the town but this issue is a more personal issue. Mr. Solomon mentioned his daughter in regards to her shyness with talking with people and yet she came here multiple times to express her concerns. Now the choice is yours.

Jarret Schumacher

Need to consider the costs involved, who will be responsible, what other organizations will come forward. If you feel that the American Flag represents all, then we should just fly that one. Currently, we have other flags flying.

Carol Loscalzo

It's time to do something, the policy does not mention flying the Pride flag, it appears to be a general policy. It doesn't mention a separate flag pole.

Christina Campana

10-24 age group has the highest suicide rate especially in the gay community, by flying the Pride flag, this will show community that they belong.

Carolee Adams

Our American flag is singularly inclusive: ethnicity, race, sex, financial status, lifestyle, faith - as patriotically embraced on/after 9/11. Further, as few organizations can afford flags recognizing important causes/celebrations, proclamations and/or our electronic bulletin board could instead be used year-round to represent Montvale's 44 countries and, among 365 collected recognitions, Mrs. Adams referenced 30 known recognitions for September/October such as: military birthdays, Jewish holidays, Dawali/Festival of Lights, Hispanic Heritage, various cancers, Downs Syndrome, Respect Life, HIV/AIDS Awareness, Bullying Prevention, etc.

Further, to respond to the serious concerns expressed by parents/students about suicides in the LGBTQ community, Mrs. Adams offered encouragement to all who suffer medical challenges, financial woes, diminished dreams, broken relationships, and bullying, to never consider aborting the Godly created masterpieces-in-the-making that they are. No flag is a substitute for GOD's unconditional love.

Kari Solomon

Kids need to know that the town has their backs, also new companies coming into town need to know that we are in support of their employees.

Jodi Sullivan

Mentioned that the town jumped into the Stigma Free movement, this is just another part of being Stigma Free.

Lillian Crowley

Thanked all for listening to us week after week on this topic.

A motion to close the meeting to the public by Councilmember Lane; seconded by Councilmember Curry – all ayes

Councilmember Comments:

All Councilmembers and Mayor Ghassali agreed and thanked all the young people that came before the council to tell their truth, how brave they were and all due credit for getting involved in democracy. Councilmember Gloeggler is in full support of flying the Pride Flag and for the flag policy. Councilmembers Arendacs, Curry, Lane, Koelling and Russo-Vogelsang had similar feelings stating this is a government building that should not be flying commemorative flags, they are not against anywhere else in town like your home, schools and churches. The American Flag represents all. Montvale does not have to show it, we act it, we are inclusive, respectful and a diverse town and proud of it.

Mayor Ghassali mentioned that he and his family are always randomly selected for a second screening, he added by saying that it speaks volumes of this town that he was voted to be Mayor, that alone should show that we are inclusive and welcoming.

A roll call vote was taken – Councilmember Gloeggler voted yes; Councilmembers Arendacs, Curry, Lane, Koelling and Russo-Vogelsang voted no. As a result, there will be no flag policy.

Mayor Ghassali added that he will be creating a committee for a cultural seminar, proclamations, and creating a diverse committee. We will do all we can to make everyone feel included and that “we got your back”.

NEW BUSINESS:

a. Short Term Rentals / Planning Board / Proposed Ordinance

Mayor Ghassali suggested the Planning Board research policies regarding AirBnB. Currently, we do have a policy in place; The Planning Board is recommending an ordinance. After a brief discussion, all councilmembers stated they would like to proceed with caution and do more research.

b. Planning Board Memorandum/OR4 Zone/Draft Master Plan Amendment

The Planning Board is asking for guidance and/or clarification regarding light manufacturing companies and moving into Montvale. Some concerns that were raised are: what will the products consist of, definition of light manufacturing, the size of the trucks, larger tractor trailers would not be able to navigate the streets. Councilmembers all agreed to go with the Planning Board recommendation which was not to change zone at this time.

COMMUNICATION CORRESPONDENCE:

The Economic and Development Committee received the Commerce Industry Award for Best Practice by a committee in attracting more businesses coming to Montvale.

Carolee Adams

Ask when will Kinderkamack Road be paved by PSEG, in their letter it states 45-90 days; is there some way to expedite the paving. The Engineer stated this is a county road and the county will have to inspect it first, also they might be waiting for the Park Ridge project to be completed before repaving. The Engineer will call the county for an update. For removal of dead deer, there is a DPW employee on call over the weekends, could they pick up the deer not only on local roads, but on county roads and charge the county for it. Mayor Ghassali responded saying we cannot charge the county, we can cover the carcass and call the county and they will pick it up. Mrs. Adams continued by saying in regards to the Smart Meter that the \$15 monthly cost of opting out vs. Rockland County customers who pay only \$10 discriminates against Montvale.

Jarret Schumacher

Asked for clarification regarding the potential sale of Railroad Ave parking lot; the borough attorney explained that the developer would have up to January 1, 2024 to put a shovel in the ground, otherwise the town would have the option to purchase it back for 20% less than purchase price. Mentioned a comment regarding short term rentals, about people using the address to register their children in the schools, Mayor Ghassali stated the school requires a signed lease or home ownership documents.

Kari Solomon

Thanked all councilmembers for their comments. She encouraged councilmembers to challenge yourselves and go beyond your friend groups and meet other people that are different from you.

Carol Loscalzo

We don't know how it feels to be gay or a person of color walking down the street and being discriminated against, to say that we are all welcomed is lovely but we need to reach out and ask other people what it means to them. We heard some of that from the kids these past weeks.

Re: 2020 Emergency Plumbing & Electrical Repairs
Proposal to Prepare Specifications for Bidding
Borough of Montvale, Bergen County, NJ
MC Project No. MVB-009P

Dear Ms. Iarossi-Alwan:

As discussed, Maser Consulting will prepare specifications for public bidding for the 2020 Emergency Plumbing & Electrical Repairs. The specifications will include emergency repairs to electrical and plumbing systems in the Borough of Montvale including all Municipal buildings and Municipal parks. The purpose of the specifications is to allow the Borough to have 24-hour access to Contractor services for electrical and plumbing repairs in place of declaring an emergency for each event. The repairs that are proposed in this bid specification would be outside the scope of the Pascack Valley DPW contract.

Maser Consulting will prepare the bid specifications, including coordination with DPW, bid support services and evaluation and tabulation of submitted bids. Maser proposes to prepare the 2020 Emergency Plumbing & Electrical Repairs specifications for the lump sum fee not to exceed \$5,500.00.

The specifications will be written in a form that will allow a Contractor to bid materials, workmanship and labor including profit and overhead. It will be the recommendation of Maser that the specifications allow for two (2) one (1) year extensions for a total contract of three (3) years. It should be noted that the Borough will need to set a minimum cost of repairs for the initial calendar year. Maser recommends the minimum be set at \$5,000.00. Should you have any questions or concerns, please feel free to contact me.

Very truly yours,

MASER CONSULTING P.A.
